

PINOT NOIR VINIFIE EN ROUGE DE NOS ROCHERS

Terroir

- Calcareous soil
- Vineyards on steep slopes
- Manual harvest

Tasting Notes

The red Pinot Noir is a fine and light wine with subtle aromas reminiscent of red fruits and slightly peppery notes.

A fine tannin structure provides suppleness and roundness. All his magic is based on the combination of power and finesse.

Vinification

- Cold maceration during 4-5 days
- Controlled fermentation at 17°C
- Maturation partially in stainless steel vats and in Luxembourgish oak barrels

Food pairing

We recommend this wine with red meat in pepper sauce or grilled meat.
